Chapter 1 by Kamurin Kizutsukemasu

After talking with his backpack Colin stumbled towards Camryn, and Alex. They didn't want anything to do with him, because he and his backpack, had just blamed them of making the backpack sad. It wasn't true it was Colin's fault but the backpack blamed them because of reasons. Camryn and Alex decided to just be calm and not mess with the backpack. But the backpack and Colin kept trying to Shrek them. So they just put up with it.

Riley was so mad he tried to be savage. It was a success. He took his potato and threw it at his lunchbox. The lunchbox, the backpack, and Colin were in a trio. Riley was making a sketch of Lord Bob taking a backpack and a little boy crying.

Don't mind that please

The past few weeks had been full of terrible nightmares, I couldn't take the torture. First let me explain the past few weeks, me and Alex have been keeping up with Colin, and the Backpack have been blaming, blaming, and.... BLAMING, both of us just because we were "making the backpack mad. It was pure torture, we kept making sure we won't get mad, we won't be mean.

Well we have been... But, Colin's trio kept bugging us. Well the only good thing coming from our time at school was, being EVERYTHING, besides Colin's trio.

We were almost finished the school year, almost gone from the STUPID, people **cough cough** Colin, and the backpack **cough cough**. I almost finished my true form yesterday, they almost found out...

It was time for the fight of the century. Camryn was ready, but not Colin. He was sitting to the side, popcorn in his hand. Laughing the whole time. He was had a

great view on the fight. BUT... That's not what happened. He started to transform. Into a boss. Robby Boss. He was the coolest. He still sat there, not realizing the transformation. He sat there, ready for the fight.

The haters scared the memes away from Colin, he was powerless. He wasn't ready. Then, BOOM. Another fat looking child, that was for some reason not mind-controlled. He had popped out of nowhere, but he Shot out new memes. Every second, another appeared. That's when. A jock (A hater of memes) somehow made haters beam out of his hands. They were so mean it mad the fat child, run away. Colin had been over killed without the devil kid, doing anything. He just sat next to Alex, chatting.

Doge started breathing fire and started to speak bad grammar.

Eventually doge started going to city's and wrecking havoc on them.

The army tried everything. They dropped atom bombs on Doge, they shot him with guns, and they even tried putting him to sleep. But nothing could stop Doge.

But that is when Pusheen the Doge tamer appeared.

Pusheen threw his dogeball at doge. It was silent as doge rocked in the ball, trying to get out. Finally, it dinged. Doge had been caught! But Colin had another trick up his sleeve. Robbie Rotton appeared! NET! He pulled out his saxophone and Camryn was blasted with a wave of pure NET! But that wasn't all.

Robbie summoned his clones and they all used the power of NET. Camryn was blasted into the far wall by the pure awesomeness of NET. But it was far from over.
